Intergalactic Penguins?

By The Free Plutonian Press Agency

Did the Plutonian Intergalactic Navy train penguins to fight in space combat? Our sources inside the Plutonian Navy say YES! The story starts with operation 'Penguin' in which the Navy captured 50 penguins to be turned into intergalactic killing machines, according to inside reports 45 killer penguins are currently in the Plutonian Navy awaiting transfer to the Plutonian colonies for security operations.

Fake Plutonian News Agency Lying to Plutonian Citizens?

By THE PLUTONIAN STATE MEDIA SERVICE

The Plutonian State Media Service secret police force has found that the so called Free Plutonian Press Agency has been lying to the Plutonian people, in an investigation they have found that the Press Agency has made up a large amount of things like killer penguins existing when clearly penguins are not useful in the intergalactic navy. As many of our viewers are aware the Plutonian State Media Service is the only lawful news source and all others are subject to execution once captured, the Free Plutonian Press is clearly an enemy of the people and should not be funded.

Has the Long Thought Fake Island that is Australia been Found?

By Intergalactic Media Station 1

People have long thought that the magical island of Australia was just a legend but recent evidence shows that the Island does in fact exist and it currently being ruled by an evil government determined to make the planet Earthia worship Kangaroos a mythical animal known for beating foolish Americans in combat. Researchers have stated that they will continue to look into the issue to determine if the island exists.

Principality of Cakecollin Court System Unfair?

By Intergalactic Media Station 2

Reports from inside the Principality of Cakecollin suggest that the Crown Court Service does not in fact provide fair and reasonable justice to the Subjects of the Principality. In a comment His Majesty the Prince said "It's fair is the people running it do their jobs right". The Royal Board of Governors was unavailable to provide their opinion on this topic.
