## **Governor Marcus Under Attack!**

By THE PLUTONIAN STATE MEDIA SERVICE

Earlier today the CCNN(CakeyCollin News Network) in the Principality of Cakeycollin published a news broadcast directly attacking Governor Marcus's comments about him being a servant of the people, "I swear that my service of the Board shall be in the direct service of the PEOPLE and not of the State or the Prince!" while declaring his loyalty to the people he was allegedly threatened by fellow Royal Governor and head of the CCNN Lord Pumpkin. The CCNN later published an apology claiming the article was a joke but quickly pulled the clarification for an unknown reason. In an exclusive interview with Marcus, he said "Any fair state-controlled media service should not be biased against the political opponents it's leader and laws to prevent bias in state media should be a priority."

## **The Plutonian High Legislature Bankrupt after Failed Trade Deal!**

By THE FREE PLUTONIAN PRESS AGENCY

Earlier today inside reports from inside the Plutonian High Legislature confirmed that after the failed deep space trade deal the Legislature has gone bankrupt. The Plutonian State Media service has been quiet on this urgent issue but the advance of the Military on the Legislatorial Hall indicates that reports are most likely correct. Governor-General Sir Kaeso has remained silent on the issues at hand but has stated that information shall be provided to the State Media service only and that the existence of private journalists is illegal.

## **Cake Competition Ends With 50 DEAD!**

By Intergalactic Media Station 1

After 300 Years of Cake Competitions, the International Cake Competition of 2021 ends with 50 people dead. Chief baker Donald Krumpf said in an interview that "The Death of so many cake lovers is truly sad" he had no comment on how this happened other than saying "Blame Australia".

## **Plutonian State Media Joins the FWTM Alliance.**

By the Free World Times Media Alliance

Today the Plutonian States Media Service's join request to the Free World Times Media Alliance was approved. First requesting to join last week the Plutonian State Media was required to wait a whole week while the World Times resolved the complaints made by the Free Plutonian Press Agency. The Free Plutonian Press Agency President stated last week that "This move by the Plutonian State Media shall directly harm the freedom of international media and may be used to shutdown our unlawful media company". The Plutonian state media denied such claims stating that "We serve the media better than any illegal news ever could".
